South Leg of Dugan Road at U.S. 30 in Sugar Grove Closed

CHICAGO – The Illinois Department of Transportation (IDOT) announced that the south leg of Dugan Road at the intersection with U.S. 30 will be closed beginning, weather permitting, Oct. 16.

A detour will be posted utilizing Illinois 47 and Jericho Road to access Dugan Road.

The closure is expected to remain in place until late November.

The closure is part of the ongoing intersection improvements being made at U.S. 30 and Dugan Road. That project is slated to end in January.

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.

Find details on other construction projects in IDOT's District 1 at <http://goo.gl/upgvZu>. Updates on the impacts to traffic are available at www.travelmidwest.com.
